

FORENSICS

If you like reading poetry, reading or telling stories, demonstrating how something is done, or would like to make a speech, join forensics. We will meet next Monday after school in Miss Geiger's room, Room 109. On Monday, September 10, I will explain the categories in more detail, help you choose one that you might be best suited for, and give you different sources of material to look at and choose what interests you. Plan to stay until 5:00. There will be a meet Friday, October 19, which will be hosted by Zion, Columbus. A second meet will be the first Friday in November, November 2, for the top 2 in each category of: poetry, prose, storytelling, demonstration, and speech. Forensics will go from now through the first week of November. You will be asked to set up 2 times a week to stay after school from 3:30-5:00 to practice. You will be given a calendar to fill out days that you can work with me and other helpers. I will try to work around your activities and time outside school. Please take this sheet home and talk it over with your parents. Consider what a great experience it can be entertaining and sharing with others what you are interested in and can do!

Meet Monday after school from 3:40-5:00 in Miss Geiger's classroom, 109, and learn more about forensics and what it all involves.
