Math: Next week we will continue to work on the subtraction tables of 1 and 2.

Because it is a short week, the math record sheet needs to be turned in on

Wednesday.

Special Notes:

This weekend our A Girls' and Boys' teams have a basketball tournament in

Madison. We pray for safe travels and blessings on their games.

Today, Scholastic Book Orders are going home. If you are interested in placing an order please do it online by Friday, February 22 or return the paper order forms with the money in an envelope with your child's name by Friday, February 22.

Our second grade is going to have a Spelling Bee in our classroom Friday, March 8. I am sending home a list of 100 words that will be used in that Spelling Bee. The list is there for your child to study ahead of time, if they so choose. On the day of the spelling bee, if we get through the words, the children will be asked to spell words from a list they have not seen.

Awards will be given to those students who finish first, second, and third.

We will have practice spelling bees leading up to the actual day, to help them prepare from now until March 8.

Wednesday, February 13, the children may bring in valentines for each other to exchange and a treat for everyone if they wish.

Next week Thursday, and Friday, February 14 and 15 there is NO SCHOOL!

The teachers will be attending a conference for teachers in Madison.

100th Day will be February 19, Tuesday. We will be doing some different activities on that day involving working with the number 100. For snack that day I am asking each child to bring in 100 little pieces to share of something that is edible, for example: 100 mini marshmallows, 100 grapes, 100 pretzels, 100 pieces of cheese, 100 crackers, 100 teddy grahams, etc.
