**January February March April May June July August September
October November December**

Math: Next week we will be working on the subtraction table of 9. The children need to master that table by the end of the week. That means that the children are able to do 100 problems in 5 minutes with 2 or less mistakes. On Thursday we will begin our attempts for their subtraction math certificate. If they are able to do 100 problems with two or less mistakes in 5 minutes, 2 out of the 3 attempts, they will receive a special math subtraction certificate.

Special Notes: THANK YOU to those parents who helped us out by driving for our field trip and for driving so we could sing at Hillside!!!

Monday is our piano recital in church starting at 6:00.

Tuesday is our school band concert in the gym, starting at 6:00.

Monday, May 27, Memorial Day there is NO SCHOOL.

No school Thursday, May 30, the teachers have an in-service day. In the evening, we have a special service to celebrate the Ascension of our Lord and Savior at 6:30.
